Welcome to
No.4 on Mansfield.

No.4 Bar has been part of the neighbourhood since 2006. Before that, it was The Mansfield, also known as Mansfield house. Pints have been pouring here since 1989. For a long time this has been a place to gather, catch up, and settle in for "just one more".

Under new custodianship from late 2025, a refurbishment has been taking place. The theme? A *proper* pub. Dark wood, moody leather and thoughtful updates that pay tribute to the building itself and respect what this pub has always been about.

Same venue.
Same local.

With all the charm of a traditional *proper* pub.
And yes — real imperial 568ml pints here.
